DETAILED ACTION

Election/Restrictions

1. Claim 32 is generic and allowable. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claims 38, 42, 43, 45, 47 and 49-51, directed to the species of Figures 1-11 and 18-28 are no longer withdrawn from consideration since all of the claims to these species depend from or otherwise include each of the limitations of an allowed generic claim.

In view of the above noted withdrawal of the restriction requirement as to the linked species, applicant(s) are advised that if any claim(s) depending from or including all the limitations of the allowable generic linking claim(s) be presented in a continuation or divisional application, such claims may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 44 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Allowable Subject Matter

2. Claims 32-57 are allowed.

3. The following is an examiner's statement of reasons for allowance: it would have not been obvious to fix the installation member of JP '117 on the upper portion of the counterweight guide rails because the elevator would not work properly, and maintaining a diverting sheave on the platform would destroy the purpose of eliminate the platform to save cost. Further, the examiner agrees with the Appellants' argument that it would not have been obvious to modify the JP '117 in view of JP '297 to have a roping means 100 for suspending the elevator car and the counterweight as claimed and in light of the specification, as remarked in pages 7-8 of the Appeal Brief.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thuy v. Tran whose telephone number is 571-272-6932. The examiner can normally be reached on M-F.
